Nurse Delegation; Special Focus on Diabetes Training Continued:

Nurse Delegation; Special Focus on Diabetes Training: \$20.00

A Washington State Aging and Long-Term Support Administration (ALSA); Department of Social and Health Services (DSHS) course:

Required by all Long-Term Care Workers, below the level of an RN or LPN, who must perform the Nurse (RN) Delegated task of administering Insulin Injections. To be Nurse Delegated for the task covered in this course, one must:

- (1) Have completed the 75 Hour Long Term Care Worker Training; or have completed Revised Fundamentals of Caregiving Training before 01-07-12; or be a NA-C, with an active (Dept. of Health, State of Washington) NA-C License;
- (2) Have an active NA-C (Certified); NA-R (Registered); or HM-C (Home Care Aide-Certified) License (as eligible); &
- (3) Have completed Nurse Delegation Core Training, and;
- (4) Have completed this course.

Important Information regarding Training Regulations / classes at this time:

The New Training requirements of Initiative 1163, which were brought to and passed by the voters in Nov., 2011, by the primary initiator of I-1029, Service Employees International Union (SEIU), have been in effect since 01-07-12.

Go to: www.dshs.wa.gov/altsa/long-term-care-professionals-providers

Scroll down to, and click on, the "Training Requirements & Classes" heading.

This section offers links to information regarding Training Requirements for Long Term Care Workers (LTC Workers) for Adult Family Homes (AFH's) and Assisted Living Facilities (ALF's). It also illustrates how to become approved to teach Orientation and Safety Training in your AFH or ALF; and other useful information.

WA State Dept. of Health Practice Test: www.prometric.com/en-us/clients.wadoh/Pages/practice-exams.aspx

LTC Workers application and testing for "Home Care Aide" Certification (a requirement for all, trained after 01-07-12).

I-1163 Training Requirements will NOT effect RN's, LPN's or NA-C's; except...

All LTC Workers (Long Term Care Worker) must take 12 Hours of Continuing Education (C.E.) per year. The C.E. requirement must be completed by ones Birthday (not the last day of the calendar year, December 31st, as in the past). This requirement began on 07-01-12. Birthday to Birthday is the LTC Worker's "year".

Since 07-01-12, 12 Hours of C.E. must be completed by one's Birthday, or one cannot work until it IS done.

See "Continuing Education Requirements" at this link:

See: www.dshs.wa.gov/altsa/training/continuing-education-requirements

CPR / First Aid may now be used to count for 3 Hours of C.E. A number of restrictions apply.

See: www.dshs.wa.gov/altsa/training/applying-cprfirst-aid-training-hours-ce

Any LTC Worker hired as of 01-07-12 or later, must take 75 Hours of LTCW Training; made up of these four components: (1) Core Basic Training, (2) Population Specific Training, (3) Orientation Training and (4) Safety Training.

Quality Assurance Consulting, LLC, is now offering:

Orientation and Safety Training: 5 Hours (online classes only) \$20.00 See: www.assurance-quality.com/training.html

Core Basic Training: 40 Hours

Population Specific Training: 30 Hours (or more Hours)

Dementia, Level 1 Training: 8 Hours

Mental Health, Level 1 Training: 8 Hours

Traumatic Brain Injury, Level 1 Training: 8 Hours

Developmental Disabilities Training - Part 1: 8 Hours

Developmental Disability Training - Part 2: 8 Hours

Care of the Geriatric Resident Training: 6 Hours

Nurse Delegation Core Training; 9 Hours (if taken after 11-24-17)

Nurse Delegation; Special Focus on Diabetes Training: 3 Hours (if taken after 11-24-17)

Courses NOT INCLUDED in the 75 Hours of LTC Worker Training; but still probable Training requirements:

CPR Training: No longer offered at this time.

First Aid Training: No longer offered at this time.

HIV/AIDS Training (included in CBT).

Continuing Education: online only; Sometime in 2020 (maybe). ALL C.E. offerings will be approved by DSHS.

See: www.assurance-quality.com/ceu.html

LTC Workers would take Core Basic Training; and RN's, LPN's and NA-C's would not take MFOC (as it no longer exists).

RN's, LPN's, NA-C's and LTC Workers would still need to take Dementia, Level 1 Training; and / or Mental Health, Level 1 Training; and / or Developmental Disabilities Administration Specialty Training, if interacting with those client categories.

NA-C's and LTC Workers would still have to take Nurse Delegation Core Training if needing to be Nurse (RN) Delegated for certain tasks (including passing medications).

NA-C's and LTC Workers would also still need to take Nurse Delegation; Special Focus on Diabetes Training if needing to be Nurse (RN) Delegated to administer Insulin Injections to clients.

Active NA-C (Nursing Assistant-Certified) licenses (for NA-C's);

Active NA-R (Nursing Assistant-Registered) licenses (for those eligible to have them); or

Active HM-C (Home Care Aide-Certified) licenses (for LTC Workers) are required, for Nurse Delegation to be able to occur.
